Baby Plants Month

MARANTA
LEMON LIME

Also known as the prayer plant, this maranta has the unique habit of folding its leaves upward as the sun sets. True to its name, it features vibrant, citrus-toned foliage. Preferring medium light, it easily finds its place in most homes.

Light

Moderate to medium

Watering

Likes consistently moist soil; allow only the top few centimetres to dry before watering again.

Watch for

Browning leaf edges are usually caused by low ambient humidity.

Tips & tricks

Rotate the pot regularly to promote even, balanced growth.
