

Le mois des bébés plantes

Baby Plants Month

STRELITZIA

Commonly known as the bird of paradise, Strelitzia gets its name from its exotic, bird-like flowers. This beautiful tropical plant has a relatively slow growth rate but can reach an impressive size indoors over time. Its bright green foliage is naturally glossy and highly decorative.

Light

High

Watering

Moderate; water when the growing mix feels dry to the touch.

Watch for

New leaves may appear pale if the plant is not receiving enough light.

Tips & tricks

Wipe the leaves regularly with a damp cloth to remove dust and keep the foliage looking shiny.
